

Use this form to register for a puller's license for all MVP pulls. This will provide insurance coverage for all events promoted by MVP with our sled in use (otherwise there is a \$5/class fee). This license will also enroll you in our points series if so desired. Points series fees are \$20/class which goes into the yearend awards fund.

Simply file-out the form and bring it to the first MVP event.

**License fee is \$15 per driver.**
